

ECO by IMPLIVA - ECO - Manual - Windproof

Product Images

Description

LR-99 ECO by IMPLIVA the classic windproof umbrella with wooden stick and round wooden handle in ECO version. The high quality cover is 100% made of recycled PET bottles. The wooden stick and the round wooden handle give it a natural and classic look. These environmentally friendly materials, in combination with the strong and flexible fiberglass frame, ensure a maximum lifespan. And this means the smallest possible ecological footprint! The ideal classic umbrella for environment-conscious users.
