

STORMini® - Aerodynamic storm umbrella - Manual - Windproof

Product Images

Description

ST-9 STORMMini® aerodynamic foldable storm umbrella. This improved version of our storm umbrella has been wind tunnel tested and easily resists winds up to 80 kms/h. It has a black reinforced 3-section shaft and a reinforced black aluminium/fiberglass frame. It also has a very comfortable matt black handle and comes in a sleeve. The broad back of the STORMMini® offers maximum protection against rain!
